Canada still kills

PETITION TO RED LOBSTER/DARDEN RESTAURANTS TO STOP PURCHASING CANADIAN SEAFOOD.

To Clarence Otis, Jr., CEO, Darden Restaurants. We the undersigned are aware that Red Lobster/Darden Restaurants purchase large amounts of Canadian seafood each year, in defiance of the worldwide boycott of Canadian seafood. This boycott will bring an end to the cruel, wasteful, irresponsible seal slaughter that takes place in Canada each year. We are appalled that Red Lobster/Darden Restaurants continues to refuse to do the right thing. We plan to avoid Red Lobster restaurants until Red Lobster/Darden Restaurants join the Canadian seafood boycott.
